

Church Values

Reverence: We are committed to fulfilling our purpose to please God by loving Him with all of our heart, soul, mind, strength, and we will passionately pursue that daily.

Reaching: We are committed to reach the world with the Good News of Jesus Christ beginning with the Imperial Valley. We will consistently pray, think big, plan with a purpose, and execute with excellence to accomplish the Great Commission.

Raising: We are committed to constantly be discipled and disciple others. We will never stop learning and never stop training others. We will daily empower everyone to become the effective leaders for the Kingdom of God they were created to be.

Releasing: We are committed to being missionaries everywhere we go and believe it is better to give than to receive. We will love, train, and release Christian leaders into the world to authentically represent Christ and advance His Kingdom.
